Humane Education Reservation Request

Presentations and Tours are available for Preschool through High School aged children

“Children trained to extend justice, kindness, and mercy to animals become more just, kind and considerate in the relations with others. Character training along these lines in youth will result in men and women of broader sympathies, more humane, more law-abiding, in every respect more valuable citizens.” National PTA Congress 1983

Thank you for your interest in the Maui Humane Society’s Education program! If you have any questions regarding presentation topics or shelter tours, please access our website at www.mauihumanesociety.org .
